

Iaior. Wel, we will talke more of this, when the solemnity
Is past; But have you a full promise of her?

Enter Daughtr.

When that shall be seene, I tender my consent.

Woer. I have Sir; here shee comes.

Iaior. Your Friend and I have chanced to name
You here, upon the old busines: But no more of that.
Now, so soone as the Court hurry is over, we will
Have an end of it: I'th meane time looke tenderly
To the two Prisoners. I can tell you they are princes.

Daug. These strewings are for their Chamber; tis pittie they
Are in prison, and twer pittie they should be out: I
Doe thinke they have patience to make any adversity
Asham'd; the prison it selfe is proud of 'em; and
They have all the world in their Chamber.

Iaior. They are fam'd to be a paire of absolute men.

Daug. By my troth, I think Fame but stammers 'em, they
Stand a greife above the reach of report. *(does.)*

Iai. I heard them reported in the Battaile, to be the only

Daug. Nay most likely, for they are noble sufferers; I
Mervaille how they would have lookd had they beene
Victors, that with such a constant Nobility, enforce
A freedome out of Bondage, making misery their
Mirth, and affliction, a toy to jest at.

Iaior. Doe they so?

Daug. It seemes to me they have no more sence of their
Captivity, then I of ruling Athens: they eate
Well, looke merrily, discourse of many things,
But nothing of their owne restraint, and disasters:
Yet sometime a devided sigh, inartyrd as twer
I'th deliverance, will breake from one of them.
When the other presently gives it so sweete a rebuke,
That I could wish my selfe a Sigh to be so chid,
Or at least a Sigher to be comforted.

Woer. I never saw 'em.

Iaior. The Duke himselfe came privately in the night,

Enter Palamon, and Arcite, above.

And so did they, what the reason of it is, I

Know

Know not: Look

Arcite looks

Daug. No

Lower of the tw

Of him.

Iai. Goe too,
